

DEC-JAN 2018 Issue #188

*Build a bridge, not a barrier; make a friend, not a fuss; find a cause, not a controversy; be a cheerleader, not a critic; seek a solution, not a standoff*

## Greetings!

I will be serving as your General Manager for the next year, at least. I am glad to be back and serving the community of Stallion Springs.

I very much care about this community, the Board of Directors, the staff and their dedication and desire to take care of all the people that live out here.

I welcome input from all residents and property owners. Please contact me through my e-mail [daranda@stallionspringscsd.com](mailto:daranda@stallionspringscsd.com) or 661-822-3268. I will be working part-time so please make an appointment if you wish to meet with me.

We are looking at a Theme for 2018 "Let's Make Stallion Springs Beautiful". We are fortunate to have a number of people working for Stallion Springs on a grant program which means the District is getting a good amount of help at no cost to the District. We have been working on clearing drains and culverts in preparation for the winter, cleaning roads, trimming trees, painting buildings and repairing some major road problems.

Hopefully within the next 6-8 weeks we will be using a hotpatch machine to patch pot holes and we will be painting or replacing street signs and

doing work on our parks in preparation for spring.

Other things on the "to do" list includes striping the roads, going out to bid for a large road contract the summer of 2018, attempting to clear the tullies in the lake.

The staff is hard at work with a lot of things going on behind the scenes. Our police department is patrolling to prevent crimes, and ensuring the kids get safely on buses to school. An employee has been bringing in his welder and welding important portions of the wastewater plant for up-graded aeration and another employee has been fixing district vehicles on the weekend so that they are ready for service on Monday.

We have made some changes in our park staffing, so please provide us input as to activities that you are looking to see in Stallion.

The Golf Course continues to be a concern to all of us and as your General Manager I am working at attempting to gather information that would be beneficial for a private party to purchase and keep Horse Thief Golf Course as a viable 18 hole course.

David Aranda  
General Manager

## “In The Blink of an Eye”

By Chief of Police Michael J. Grant

In the blink of an eye lives can be senselessly shattered as a result of impaired driving and driving under the influence. Statistically, driving under the influence deaths increase during the holiday seasons due to irresponsibility during family and friend gatherings. “Every day, almost 29 people in the United States die in alcohol-impaired vehicle crashes—that’s one person every 50 minutes in 2016...drunk-driving crashes claim more than 10,000 lives per year” (NHTSA). As a police officer, making death notifications is always difficult, but having to make one to a family member because of an under the influence crash is dramatically more difficult because of the needlessness of the incident.

All traffic collisions that are the result of drunk driving, buzzed driving, driving while high on marijuana, and driving while on certain prescription medications are 100% preventable. If you are tasked with the responsibility of driving, make the choice not to consume or partake in the very things that have the ability to reduce the function of the brain, impair thinking, reasoning and muscle coordination. All these abilities are essential to operating a vehicle safely (NHTSA).

Remember, buzzed driving is absolutely drunk

driving. I have been to the scene of countless collisions, some gruesomely fatal. If the impaired driver survived, I would often hear them say, “I only had two beers”... Ask any police officer for that matter what the standard answer is when you ask a suspected impaired driver how much they’ve had to drink and the answer is usually, “two beers” or “two drinks”. Whether they are being honest or not, why take the chance? Why take the chance of ruining a family, somebody’s dreams, killing a son or daughter, or a beloved grandparent?

The Wednesday night before Thanksgiving is a cultural phenomenon called “Thanksgiving Eve,” an evening associated with drinking and a big night for bars. From 2012 to 2016, over 800 people died in alcohol-impaired-driving crashes during the Thanksgiving holiday period (6:00 p.m. Wednesday to 5:59 a.m. Monday), making it the deadliest holiday on our roads (NHTSA).

With the prevalence of Uber, Lyft, designated driver programs, and apps like NHTSA’s SaferRide mobile app, there really is no excuse for driving impaired. Your friends at the Stallion Springs Police Department sincerely hope this holiday season brings you joy and fond memories. Please drive safely and responsibly this holiday season.

# PROPERTY OWNERS ASSOCIATION (POA)

Is everyone ready for the holidays?

I definitely am not! They sure approached us quickly and I am already scrambling, as I'm sure some of you are out there! The good news is though, that we have one of the best events coming up to help you get into the joyous mood.

Coming up on Friday, December 8th, we will have the Christmas trailer all lit up and decorated, to haul you festive people around lower Stallion and singing along to Christmas songs. While back in the corral room at the community center, we will have hot chocolate, cookies, LIVE music from Lori Marvin and Aubri Doe! We may even have a special visit from a very special jolly man! Please come early to secure your spot on a trailer ride, tickets will be given out starting at 4:30 pm. Rides start at 5:00 and go every 30 minutes until 7:30pm. This event is brought to you by our awesome volunteers, the Stallion Spring's general store, the SSPOA, Stallion Spring's Community Church and the always helpful CSD. Hope to see you all there, please look for flyers in the general store or by the mailboxes.

Going back a little in time, we had a very FUN and unique derby downs race event that we were able to sponsor a car for. Not only that but we WON best car! And the SSPOA's President, Debbie Rodriguez' son, Parker won 1st place in the races! Thank you to PAL and Stallion Spring's police department for putting on this event! Looking forward to doing it next year!

At another successful event, Oktoberfest 2017 was SO FUN!! Everyone in our community came together to help, to have fun and to enjoy each other's company! The live music from Dinami was epic and they brought a great energy to the party! We as the SSPOA, signed up 7 couples and 1 single member to support our organization! That is so great! Thank you for your support!

We also sold a lot more shirts and hoodies. We just received our newest shipment of shirts and hoodies and there are some in the General Store, the Stallion Springs Resort and in our possession. They will go fast, if you want to get some, please call Debbie at [949-798-9708](tel:949-798-9708).

We have charcoal grey and light pink YOUTH pullover hoodies and black, charcoal grey and light pink youth t-shirts.

Youth t-shirts are \$12 each  
Youth hoodies are \$20 each

As well as, Forest Green adult zip up hoodies, light grey zip up, light pink zip up, black zip up and also more black t-shirts, light pink, blue with white writing and military green with white writing all in adult sizes.

Adult shirts are \$12 each  
Adult hoodies are \$25 each

All proceeds go right back to the community projects funds.

And at another recent event, Trunk or Treat 2017 here at the Stallion Spring's Community Center. We partnered with CSD, Parks and Rec, PAL, our volunteers and our amazing bakers and we had a spooky fun time! Leanne and Kara from Parks and Rec did a great job with the haunted hallway, it was seriously scary! Our SSPOA President and her husband Diego, served up free caramel or chocolate covered apples for anyone interested! Special thanks to the Pulford Apple Orchard for their donation of the apples! This was sponsored by the SSPOA. We also sold tickets for the cake walk and many people went home with delicious home baked goods. All proceeds to the community projects funds.

Lastly, we just finished our 3rd Annual Chili Cook Off and bake sale! We had 11 chili cookers this year at the biggest turnout to date!

## **Congratulations to the winners:**

Judge's Choice:

1st place- Lindsay Rizzo  
2nd place- Jeff King  
3rd place- Mike Shaub

Cook's Choice:

1st- Mike Shaub  
2nd- Jim Gay  
3rd- Jeff King

People's Choice:

1st- Mike Shaub  
2nd- Jennifer Reid  
3rd- Tied between Robert Guerrera and Jeff King

Grand prize winner was Mike Shaub and he won \$50 cash, which he donated back to the SSPOA! Thank you!

And a huge thank you to all the chili cookers, helpers, bakers, SS 4H and the vendors that participated in the boutique. What a fun day we all had! Next year will be awesome! I know a few chili cookers already preparing!

If you would like to support our non-profit organization, you can sign up for \$20 each person or \$35 for two people. This gives you the right to also vote on our next election, have a say in what we do as a board and it provides us with the funds for our many events and our liability insurance. We appreciate your support!

We also are looking to expand or integrate new people to our team of volunteers or board members. Since I got involved I have been trying to get the word out there on what we are all about and what we do. Many people are confused because our name suggests we are similar to an HOA, which we aren't. But we simply are a volunteer ran organization that works very hard, all while raising our families and being "retired". If you are interested in helping, you can contact Debbie Rodriguez at [Debbie@mccaslands.com](mailto:Debbie@mccaslands.com) or at [949-798-9708](tel:949-798-9708)

Thank you all, I am proud to be a part of this small community and I feel like we were meant to be here! Happy Holidays and New Year everyone!

Debbie Rodriguez, SSPOA President

On Tuesday, November 14th, Stallion Springs CSD provided a luncheon for the Volunteers that help out in our community. Thank you to all the volunteers that make this community a great place to live.

We are grateful for the gift cards that P-Dubs provided for each of our volunteers . Thank you for your generosity!

Also, a big Thank You to Gale Caldwell, from Tehachapi Candle Co. in donating candles for the center pieces.

### STALLION SPRINGS PROPERTY OWNER WELCOME COMMITTEE

After calling on new homeowners back on September 16th on a "one of those days" experiences, Kay and I set out October 18<sup>th</sup> to see if we could top that last experience. We did. No one was home. We did meet Bonnie Michaels on her way out of the drive and learned they were retired from Chino Hills and already involved in CERT and Neighborhood Watch, but had to leave informational packets for the Jones, Orkiz and Rishtemer families with the hope of meeting them some time in the future. Some days are just more exciting than others.

### PHONES & E-MAIL UPDATES

Remember to please update your phone numbers and e-mail address with the SSCSD when you come in to pick up your trash stickers or dropping off a payment. If you can't come in, give us a call. We will be happy to make the necessary changes over the phone.

Long ago I learned this phrase - T R A F

- T - TOSS
- R - REFER
- A - ACT
- F - FILE

Recently, following the death of a family member, we found it necessary to go through closets, drawers, boxes etc. of accumulated items collected over a lifetime. This experience led us to make several resolves in our own lives that we thought worthy of sharing with friends, family and neighbors.

- ALWAYS write the name, date and location on the back of EVERY photograph you own (or if it's on the computer, put the same information). No exceptions! Only keep the photographs that are clear, meaningful and flattering (how do you want to be remembered?)
- Organize your photographs at the time they are taken or received. Boxes of masses of unlabeled pictures will mean nothing to those who will be sorting through them in the future.
- Purge your files on a regular, on-going basis. Every six months seems reasonable. Many records require a five-year keeping period, but even these files can be consolidated. Remember to be discriminatory about what is important.
- Clean your closets, drawers and garage every six months. If you don't wear it, it doesn't fit or is out of style, donate it. If it isn't a family heirloom, valuable, useful or essential, get rid of it. Wall to wall, floor to ceiling closets and garages are not signs of success, just a disorganized life style.

Believe me, you "TRAF" on a regular basis, your surroundings will be uncluttered and neat, you will be happier and those that must clean up after you will be happier.

# STALLION SPRINGS NEIGHBORHOOD WATCH

***KNOW YOUR NEIGHBOR, KNOW YOUR NEIGHBOR!***

## **REPORTING SUSPICIOUS PERSONS AND ACTIVITIES:**

Reporting suspicious activities requires raising your awareness level. That is, knowing what is normal or what is out of place; having a suspicion or a gut feeling something is wrong. The goal is to reduce criminal opportunities by reporting these suspicions to the police. This requires that you be both observant and aware of persons and events in your neighborhoods, work locations, and as you travel throughout the city. You must also overcome any reluctance you might have in reporting these observations to the police. The following is a general list of activities, which should be reported:

### **Suspicious person(s) engaged in the following:**

- Forcing entry into a house, garage or vehicle.
- Running from a house.
- Walking around a house, checking doors, windows, etc. or someone who appears to be attempting to hide from view.
- Loitering in the neighborhood, appear out of place or are unknown to you.
- Anyone with a weapon.
- Any unusual noise, regardless of the time of day; for example, a scream, breaking glass, loud crashing sound, prying or any audible alarm.
- Suspicious persons carrying what might be loot; as an example, radios, TV's, stereo equipment, large sacks, bags or pillowcases which appear to be full might be indicative of criminal activity.
- Any suspicious vehicle(s) parked on the street or in your neighbor's driveway.
- A solicitor, who does not appear to have a valid reason for coming to your door, seems overly aggressive or forceful, appears hesitant, does a lot of unnecessary looking around, or asks unusual questions concerning you or your neighbors' daily schedule or habits.

Drivers speeding on roads, both inside Stallion Springs or anywhere else.

### **When reporting this information you should attempt to:**

- **Get an accurate description of the individuals and any vehicles involved, including license plate numbers.**
- **Call Kern County Sheriff's Dispatch (to request SS PD response) at: 661-861-3110.**
- Remain as calm as possible and give the dispatcher the details of your observations; the dispatcher relays the information to patrol cars that are en route to investigate.
- Relay the exact location where the activity is occurring. Give your name, address and phone number in case some of the information needs later clarification. However, this is not absolutely required.
- You can remain anonymous but be advised that this will limit the actions an officer can take. The important factor is to call anytime, day or night. You may be preventing a crime in progress or helping in the apprehension of a criminal.
