**“Your Police Department”
By Chief Mike Grant**

Hello, I want to introduce you to the Stallion Springs Police Department. We were created in 1970 and became a California Police Officers Standards and Training (POST) accredited agency in 1972. We have full police officer powers in California under California penal code section 830.1 and have jurisdiction throughout Kern County. We are a 24 hour department with officers going on-call for \$1 an hour while off-duty to cover certain shifts. We enjoy a remarkable reciprocating relationship with the Kern County Sheriff's Office with whom we are dispatched through. We have 4 full-time officers and 2 part-time officers and our own Community Services Unit. We work, prepare and train with the Community Emergency Response Team and Neighborhood Watch. Our motto, "We Live to Serve" conveys that serving humanity is one of the greatest commitments a person can make and that we take this commitment to heart. We have a Police Activities League (PAL) which has a judo program and one of the only PAL pre-schools in the nation. All of our officers are highly experienced and have served on much larger metropolitan police or sheriff agencies. I

have 27 years law enforcement experience, a BS in Criminal Justice, hold an Executive Certificate from POST (the highest level certificate a police officer can attain in California), graduated from the POST Command College and am a US Army and Army National Guard veteran. Sergeant Gary Crowell has over 13 years law enforcement experience, is working on his BS in criminal justice, holds a POST Supervisory Certificate and is a graduate of POST Management School. Senior Police Officer James "Jimmy" Best Jr. has over 15 years law enforcement experience, holds a POST Advanced Certificate, and is a POST certified Field Training Officer. Officer Donnie Marvin has over 26 years law enforcement experience and holds a POST Advanced Certificate. Officer Neil Record has almost 40 years law enforcement experience, holds a POST Supervisory Certificate, and is a POST certified Range Master. Officer Mike "Spike" Bonsness has over 25 years law enforcement experience, holds a POST Supervisory Certificate and is SWAT certified. We would love to give you a tour of your police station and the new police vehicles! You can arrange a tour by making an appointment via email at mgrant@stallionspringscsd.com. We are honored to serve the community of Stallion Springs!

A Huge "Thank You" To Stallion Springs Residents! – "Annual National Night Out" - August 1, 2017

A huge and heartfelt "Thank You!" goes to all of our Stallion Springs Community Organizations, Businesses and Residents for your outstanding support of the Stallion Springs Annual "NATIONAL NIGHT OUT" – Tuesday, August 1, 2017! The event, sponsored by your Stallion Springs Police Department (SSPD) and Neighborhood Watch (SSNW), and was held at the Community Center on the first Tuesday in August – when other cities and communities nationally (Tehachapi and Bear Valley Springs included) also celebrated their own National Night Out events.

Police Chief Michael Grant requested that proceeds of this fundraiser be used to purchase a third Philips HeartStart OnSite Portable Adult/Child AED Unit for use at the CSD's Office. **Thanks to all of your generous donations, \$1,318.25 was raised and deposited to purchase one (1) complete AED Set.**

That is when Diego & Debbie (SSPOA President) Rodriguez generously offered to search for an AED Set (including Child Pads) costing less than the usual price of \$1,300.00. Thanks to Diego's persistent dedication to this project, he was able to negotiate with the medical supply company for two (2), new complete Philips AED Units, plus two (2) Fast Response Kits with CPR Mouth Guard, and two (2) Alarmed/Locking Universal Wall Cabinets for storing the AED and CPR Sets – all at the discounted price of \$1,800 (no Tax, no Shipping)!! Diego received the AEDs with CPR Kits on September 29, and he delivered them to the CSD the same day! A BIG "THANK YOU" goes to Diego & Debbie Rodriguez for doubling our purchase power and making this AED project such a huge success and eliminating the need to fundraise for a fourth AED Set for the safety of our Community! One AED Set will be mounted in the CSD front office as planned, and the other will be mounted in the SS Pre-School Room, in the Community Center – thus significantly lowering the insurance rate for the Pre-School!

Additionally, this year's event was the most fun and successful ever! Everyone had a grand time playing exciting games and winning prizes provided by booth sponsors! The POA'S Bounce House was in constant motion; kids loved the "TROLLS" movie sponsored by Race Communications, with Popcorn & Candy provided by SS Parks & Rec; everyone enjoyed Kenny Harrison's P-Dubs juicy Hot Dogs & Fixin's. **Kenny very generously donated the entire Hot Dogs and Sales Proceeds, then went on to purchase everything remaining on the POA Bake Sale Table – as an additional donation to this AED Fundraiser!!** Our Residents also enjoyed SSNW's yummy Nachos & Fixin's, 4-H's Cotton Candy & Cake Walk, POA's gourmet Baked Goods, all washed down with POA's refreshing Soft Drinks! Emcee, Louis Brown, called all the Drawings, Booth Prizes, and Games, plus announced Woodward West's Gymnastics Olympian, Chris! SSCERT showed off their outstanding new Mobile Command Post trailer with new decals, redesigned interior to include Radio Communications, SSPAL displayed their shiny new Derby Downs Car for the Derby Cart Races scheduled for Saturday, October 7 (sign up at CSD). SSSCU Members greeted guests, and SSPD Chief Mike Grant, Sgt. Gary Crowell with PD Squad Vehicle Tours, Sr. Ofcr. Jimmy Best, Ofcrs. Donnie Marvin and Mike Bonsness, plus CSD Manager – Jon Curry and Board Directors: Ed Gordon, Sandy Young, Clydell Lamkin, Vince McLaughlin and Leslie Wellman mingled with the crowd!

We also wish to thank the following Business Sponsors who made generous donations making the purchase of these two AEDs possible: KC Sheriffs – Off-Road Vehicle Displays, Hall's Ambulance – Ambulance Tours, P-Dubs Grille & Bar – Hot Dogs & Fixin's, Race Communications – "TROLLS" Movie, TUSD – School Bus Emergency Evacuation Tours, Cut Loose Hair Salon - beautiful Face Painting & Drawings, SS Community Church – Water Gun & Whiffle Ball Races and outstanding Orbitron Ride, Woodward West – Skate Board & Gymnastic Demos, Free Skate Passes and great Woodward T-Shirts.

We look forward to having even more fun and a successful event again next year! Stay safe!

Happy Fall y'all!

Summer is definitely over here in Stallion Springs. The elk are jousting, the fog is rolling in and the sweaters are coming out. Hopefully you've been able to secure your own Stallion Spring's zip up hoodie or t-shirt, available for purchase at the Stallion Spring's General Store or by inquiring within. Hoodies are \$25 and shirts are \$12 and we are selling out of popular sizes quickly. The funds we receive from them will go right back to the community, to funding our POA projects/events here in Stallion Springs and to our annual liability insurance.

We had a great time at the annual meet and greet we hosted on September 9th. A few hours filled with yummy kabobs, free drinks, cornhole games, cute little critters from the 4H group and getting to know our neighbors. We had a good turn out and want to thank everyone for supporting us on this night. Also, the weekend before was our free kid swim day and we had an awesome turn out there! We had 60 kids come!

Coming up on Saturday, October 7th will be the PAL Stallion Spring's derby downs races. We are so excited for our car to be used and to shine bright like our American flag! Be sure to come out and watch the fun!

Then, on Saturday, October 14th will be the Stallion Spring's Oktoberfest and we will be there selling sodas, juice, water and our new shirts and hoodies which are also for sale at the SS Resort.

Trunk or treat is expected to be extra fun this year! All of our community organizations are working closely to ensure a fun filled & safe

Halloween. Plans for our 3rd annual chili cook off are commencing and we are working with Parks & Recreation to have the holiday boutique with the chili cook off at the community center. The anticipated date is Saturday, November 18th. If you'd like to enter the chili cook off, please email me at: Debbie@mccaslands.com.

Following we will have our joyous Christmas caroling and festivities on Friday, December 8th. Determined date will be posted on community bulletin boards, on Facebook and in the Stallion Spring's General Store. We will have the lit up Christmas trailer pulling guests around the community every 30 minutes, looking at all the beautifully decorated houses while we all sing along to Christmas songs which will be played on the loud speaker. Back at the community center corral room, we will have free hot chocolate, cookies, pictures with Santa and more entertainment to get you feeling joyous and festive!

It's hard to believe this year is coming to an end in just a couple months! What a great year it has been. We feel honored to be sponsoring the Lego Robotics team here in Tehachapi and to have an awesome car racing in the derby downs races. We couldn't do it without all of our volunteers, board members and the help from our community services district. This non-profit organization would like to keep it a fun experience for all of us that keep it going. Without all the extra help, we will get burnt out. If you have ideas for our community, would like to meet new people and form great friendships, would like to help us at events, or just do your part in the community, then please contact us. We are one, little and awesome community and I have never lived anywhere better than Stallion Springs! Let's keep it close and tight knit and ban together to achieve a beautiful, safe and fun community. Any volunteers are welcome to get in touch with us.

If you have ideas for our community, please contact myself at Debbie@mccaslands.com. We also have POA memberships available to any residents in Stallion Springs. \$20 per person or \$35 for two people. Support your community!

Thank you all and have a great rest of your year and a memorable holiday season.

Regards, Debbie Rodriguez

STALLION SPRINGS PROPERTY OWNERS WELCOME COMMITTEE

Have you ever had "one of those days?" Well Kay Cordes and I did and I want to tell you about it. Before I begin, I want you to know that Kay Cordes and I have been friends for nearly 46 years. We met in 1971 at Ascension Lutheran Church in Thousand Oaks. We, and our spouses, did many things together in Thousand Oaks along with our children. Kay's daughter, Cathi, and my daughter, Sandy, actually roomed together one semester in college and Kay and I had many lunches together along with a good many laughs. However, Wednesday, August 16th takes the cake. I tell you this so you will understand the two of us which makes the following scenario totally understandable.

Wednesday the 16th, Kay and I had planned to make seven "Welcome" calls to new homeowners in Stallion Springs. Before we left, Kay seemed to have an upset stomach so our departure was delayed. We finally set out and dropped in on our first new residents, Jennifer and Cliff Liles. Jennifer was home and a delight to meet and visit with. They have two children, Audrey and Ian, and moved from all over, Maryland, New York and Texas. We enjoyed visiting with Jennifer and found she is already a volunteer in our local library. Way to go Jennifer! After a nice chat, we bid Jennifer good-bye and headed back to my car. Oops, where were my keys? I had locked them in the car, along with my cell phone. Back we went to the door to borrow Jennifer's phone to call Kay's husband, Dave, to come to our rescue.

After returning home and getting another car key, we headed for our second call on Hialeah. Kay said, this is it, so we parked and knocked on the door of a supposed retired couple. A young mother with a young child answered, and, you got it, we were at the wrong house. They had lived there two years. However, she told us that the couple across the street had just moved in, so, over we headed. There we met Larry and Jan Confer, very new arrivals from Greeley, Colorado and avid Denver Bronco fans. They found Tehachapi because they have a son living here. Jan works part time at Home Depot and....Kay and I had another delightful visit with another lovely couple. Somehow Stallion Springs seems to attract the cream of the crop. Jan and Larry were not on

our list of calls so this was indeed a lucky mistake. They told us that the couple we were looking for lived next door. Off we went.

Luckily Ken and Sophia Gregory were home and....you guessed it...another terrific couple with whom to shoot the breeze. Ken is from Lancaster and Sophia from Puerto Vallarta, and, they are newlyweds. Congratulations! They met in Lancaster at the Vineyard church and are looking forward to a new life here in Stallion.

By this time, it was 5pm but we decided we could make one more call. Off to Buckpasser Dr. where we couldn't find the address, probably because it was on Buckpasser Place. We pulled into the driveway and there met Brian Sharrow. Now what makes this even more incredible is, I met Brian, his wife Judy and their daughter Eden the previous Saturday at Cheers for Charity. We sat at the same table eating our dinner and visiting. Now here we were meeting again and welcoming this family to our wonderful community. While we visited, Judy returned home. Judy is opening an antique booth in Bakersfield at the Woolworth 5 & 10 located on 19th and Chester. The Sharrow family comes from Moreno Valley and their daughters are in college. As we were leaving, Brian asked if he could pray with us. What a blessing to the end of a very unusual but extremely pleasant afternoon.

Now we still have four more calls to make. We certainly hope that day will have a better start. However, if it doesn't, we hope it will be filled with more warm and welcoming people and end with a blessing for the day. Remember, I warned you in the beginning that Kay and I have a long history full of crazy experiences. This, however, tops them all.

2018 STALLION SPRINGS CERT CLASS

CERT is about readiness, people helping people, rescuer safety, and doing the greatest good for the greatest number. CERT is a positive and realistic approach to emergency and disaster situations where citizens will be initially on their own and their actions can make a difference.

Through training, citizens can manage utilities and put out small fires; treat the three killers by opening airways, controlling bleeding, and treating for shock; provide basic medical aid; search for and rescue victims safely; and organize themselves and spontaneous volunteers to be effective.
