PROPERTY OWNERS ASSOCIATION

Good Day Stallion Springs,

I would like to use this opportunity to first introduce the 2019 slate of SSPOA Directors and Board Members at large:

President: Nick Cunningham

VP: Todd Wilen

Treasurer: Donnie Williams

Secretary: Lori Rodgers

Three members at large: Debbie Rodriguez, Lewis Brown, Lauren Wilen

As your incoming president I would like to give you a little background and vision, but most importantly recognize those who have gone before this slate to make the organization what it is!

My name is Nick Cunningham, I'm 37 years old and have lived in Stallion Springs for a little over 7 years. I have worked in a variety of jobs including but not limited to: retail, boat rentals, concrete pumping, and boat dock construction. Of recent I have been in Drilling and Blasting for the past 15 years. In each of these career paths I have quickly worked through the ranks into some form of management, in most cases personnel management. Last March was no doubt the pinnacle of my career where I was able to connect with a small business owner and his wife and start our own scratch built company within the Drill and Blast industry. In addition to my day job I have or am currently involved in the following: I was given the opportunity to chair an industry organization which functioned in all rights the same as the SSPOA. I am currently serving at Stallion Springs Community Church in youth leadership. I am currently serving as the California State Chaplain and Zone Assistant Lead in the California Three Percenters. I am also on the Stallion Springs Police Department Citizen Service Unit (CSU). I spend a substantial amount of my free time serving the community through volunteer work with the other civic organizations in Stallion which my lovely wife Melissa Zoggas-Cunningham serves on the boards of such as Stallion Springs Police Activities League and Stallion Springs Neighborhood Watch. I have also served the SSPOA as a member at large for the past two election cycles.

If you could surmise anything from the paragraph above, it should be that I love God, Family, Country, and Community in no particular order. I'm so grateful to live in a place where we are free to do as we please, where we please, and with whomever we please! The United States of America is no doubt the greatest country in the world and I believe that

Stallion Springs is one of the greatest communities within it!

Since a vast majority of us are implants (not born here) it reminds me of a quilt, the patches being the people, the stitches being hard work, the literal blood, sweat, and tears of volunteers. The ones who have gone before, some of which are passed from this world, others have moved away, others that are still here, these were the quilters! So, the community of people stitched together with the hard work, of quite possibly some of the most selfless individuals in the world, volunteers.

I would like to take a moment here to just honor and revel in the light of my President during both terms as a member at large. A truly selfless giver to your community, someone who I've seen laugh and cry, succeed and fall short, but do all of these with such a great love for her community and fellow human that she would not quit. As kids say.... you're the real MVP! Debbie Rodriguez I think I can speak for the whole community when I say thank you from the bottom of our hearts. I'm so grateful that you accepted and are maintaining a position within the SSPOA leadership team!

Last but not least, my vision... let's just keep the ship afloat (insert record scratch sound), not even close! My vision is to somehow spark a renewed interest in community, in this community, our home! My vision is that in a time where evil is closing in on all sides or so it seems, we maintain our stronghold of old fashioned values, community events, and a love seldom found in this geographic region known as California. My vision is that no past leader looks at our organization and says why did I even waste my time. My vision is that in this time of waning volunteerism, not just here but everywhere, we can be the gold standard that other communities look at us and continue to wonder how we keep things as they are. You might notice that my vision includes you, maybe you've been sitting on the periphery for some reason, maybe you haven't invited that new neighbor to get involved, maybe there is some suggestion you've held back for some reason, whatever the case SSPOA, and most importantly the community needs you, the quilt will never be complete without the patches, the thread, and the quilter.

Sincerely,

Nick Cunningham,
President
Stallion Springs POA
