

The Stallion Springs BRIDGE

APR/MAY 2019

Issue #196

Build a bridge, not a barrier; make a friend, not a fuss; find a cause, not a controversy; be a cheerleader, not a critic; seek a solution, not a standoff

PATIENCE and COOPERATION!

Since it has been a harsh Winter, Spring will bring more work for all of us. Roads will need to be patched due to the winter of snow and rain. We are asking residents to clear brush around their residence, mow weeds cut grass. The district will begin spraying for weeds and mowing right of ways as soon as we can.

For those that live in the weed abatement area of Stallion Springs we want to remind you that a letter will go out to vacant lot owners to mow or have their property mowed per

District Ordinance. For those that live in the outside district weed abatement area of Stallion Springs, you are also required to mow your vacant lots by June 1st. Providing a defensible space around neighbors.

We want to have a peaceful, enjoyable Spring and Summer and avoid a devastating wildfire that some communities have experienced over the past years.

We appreciate comments and thoughts.

David Aranda,
General Manager

Board of Directors

Ed Gordon, *President*
Leslie Wellman, *Vice President*
Fred Rowan, *Director*

Ben Dewell, *Director*
Barry Leslie, *Director*

WE WANT TO KNOW:

The District staff and Board of Directors are attempting to feel the pulse of the community on various issues. There have been a few meetings with the Property Owners Association, Board of Directors and the General Manager in regard to phasing out the Property Owners Association and forming a 501(c)(3) under the umbrella of the Community Services District. We are still in the discussion stages of this change and the Board of Directors for Stallion Springs will make the ultimate decision, should this idea progress.

The Property Owners Association has been a volunteer group that has accomplished many fine things for the community such as fundraisers and donations toward the good of the community. Over the years, the POA has had difficulty finding enough volunteers to accomplish the various functions done.

A 501(c)(3) under the umbrella of the Stallion Springs Community Services District would provide the ability for the newly formed foundation to still accomplish fund raisers and oversee various events, but would also allow the District staff to interact more with the various events. The newly formed foundation would NOT be charging the \$35 per year in membership dues, but we would HOPE that residents would make tax deductible donations to the foundation. Donations and Fund-raising money toward the foundation would stay in the foundation, and a board that is appointed by the CSD Board of Directors to serve on the foundation would make recommendations on where the money would be best used.

Would you support the idea of disbanding the POA, and forming a new Foundation under the umbrella of the Community Services District? YES _____ NO _____

PROPERTY OWNERS ASSOCIATION

SSPOA SCHOLARSHIP PROGRAM FOR 2019

Each year, the Stallion Springs Property Owner's Association (non-profit organization) gives a scholarship to a graduating senior from Tehachapi High School, all other high schools and home schooled students. This has been a tradition of the SSPOA for many years, in the amount of \$1,000 for each qualified senior applicant.

If an applicant(s) is selected from THS, the scholarship(s) will be presented by our SSPOA president at the High School Awards Assembly each year. If the applicant(s) is selected from another high school or someone who is home schooled, the scholarship will be presented at a general meeting or the annual meeting of the SSPOA, the date will be announced.

To be eligible to apply for this scholarship, the graduating senior must be current resident of Stallion Springs; have a cumulative GPA of 3.0 or better; plan to be a full time college student or working and taking at least six units. At the time of presentation, a certificate will be given to the successful applicant(s). The actual scholarship is given in full at the time a proof of college attendance is given or an accredited training program is chosen.

Applicants must submit their qualifications along with an essay expressing: 1) their goals for the future as well as 2) What they love about Stallion Springs and would like to see improved here. All papers are to be submitted to the Tehachapi High School Counseling Secretary in accordance with the guidelines set up by the High School or directly to our President Debbie Rodriguez. All other applicant(s) must submit their essays and a formal GPA document by April 15th. Please get in contact with Debbie at stallionspringspoa@gmail.com.

The information about all scholarships is disseminated by THS; however, if you know of a graduating boy or girl that is not aware of the availability of this scholarship, please advise them to consult the THS counseling office. We give two or three scholarships each year.

STALLION SPRINGS NEIGHBORHOOD WATCH

Our Stallion Springs Neighborhood Watch (SSNW) group invites YOU, and all residents, to join us to be "Eyes and Ears" in our community to help keep our community safe! Our Stallion Springs Police Officers (SSPD) cannot be everywhere at once, although they always are available – 24/7, and rely on us residents to report suspicious activity or unsafe incidents to SSPD day or night. Contact us with questions or join our fun, active group at "stallionneighborhoodwatch@gmail.com" or on Facebook at "Stallion Springs Neighborhood Watch."

KNOW YOUR NEIGHBOR, KNOW YOUR NEIGHBORHOOD!

REPORT SUSPICIOUS PERSONS AND ACTIVITIES

Reporting suspicious activities requires raising your awareness level. That is, knowing what is normal or what is out of place or having a suspicion or a gut feeling that something is wrong. The goal is to reduce criminal opportunities by reporting these suspicions to the police. This requires that you be both observant and aware of persons and events in your neighborhoods, work locations, and your travels.

Report immediately – delay results in delayed police support! See last page of this Newsletter to contact SSPD.

We invite all residents to join us in the following fun activities and events, to help promote awareness of everything happening in Stallion Springs! To keep our great organization relevant, we need you and other residents to be active in this great organization. **WE ALL – ARE – NEIGHBORHOOD WATCH!**

- **SSNW conducts monthly meetings, on the Fourth Tuesday at 6:30 PM at the CSD's Board Room to learn about and discuss the latest information presented by our outstanding Police Department.** The informal meetings usually last about an hour, are very educational and interesting, and are an excellent way to get acquainted with other residents and organizations in the community, and discover all the fun things going on. **Arrive late, or leave early – to suit your schedule!**
- Our SSNW has a Facebook Closed Group (SS Residents only) under "Stallion Springs Neighborhood Watch" run by our SSNW Block Captains/Admins that helps keep residents up to date on incidents, community events, problems, and important community information.
- Our SSNW Group produces the Annual National Night Out event each August, where all residents, community organizations and community businesses are invited to participate in a family-friendly event featuring fun activities, games and prizes for young and old alike! Our SSNW has made this event a very successful fundraiser for equipment needed by our SSPD!

We look forward to meeting you at any of the upcoming SS Community events!
