

SSPOA SCHOLARSHIP PROGRAM FOR 2018

Each year, the Stallion Springs Property Owner's Association gives a scholarship to a graduating senior from Tehachapi High School, all other high schools and home schooled students. This has been a tradition of the SSPOA for many years, in the amount of \$1,000 for each qualified senior applicant.

If an applicant(s) is selected from THS, the scholarship(s) will be presented by our SSPOA president at the High School Awards Assembly each May. If the applicant(s) is selected from another high school or someone who is home schooled, the scholarship will be presented at a general meeting or the annual meeting of the SSPOA, the date will be announced.

To be eligible to apply for this scholarship, the graduating senior must be a full time resident of Stallion Springs; have a cumulative GPA of 3.0 or better; plan to be a full time college student or working and taking at least six units; and have taken the SAT for college entrance. At the time of presentation a certificate will be given to the successful applicant(2). The actual scholarship is given in full at the time a proof of college attendance is given or an accredited training program is chosen.

Applicants must submit their qualifications along with an essay expressing their goals for the future and submit it to the Tehachapi High School Counseling Secretary in accordance with the guidelines set up by the High School. All other applicant(s) must submit their essays and a formal GPA document by April 15th. Please send it to SSPOA, 28700 Stallion Springs Drive, Tehachapi, CA 93561.

The information about all scholarships is disseminated by the THS; however, if you know of a graduating boy or girl that is not aware of the availability of this Scholarship, please advise them to consult the THS Counseling Office. We give two or three scholarships each year.
