Dear Stallion Springs Resident,

The Contractor for the CSD is scheduled to pave the streets below on Friday, August 24. The paving operations will involve placing a new layer of asphalt on the surface of each roadway in order to improve pavement condition and ride quality.

Dapple Grey Ct
Roan Ct
Mustang Ct

Paving will take place between the hours of 7:00 AM and 5:00 PM. Please allow yourself additional time if you need to drive on Friday. Also, please remove vehicles and other property from the roadway before paving begins.

The Contractor will attempt to minimize delays during paving operations. Please note that access to your property will be maintained, but delays may occur while crews are working in front of your home.

Thank you in advance for your patience and cooperation during this important work.

Best Regards,

David Aranda
Interim General Manager, Stallion Springs CSD
