June-July 2017 Issue #185

***Build a bridge, not a barrier; make a friend, not a fuss; find a cause, not a controversy; be a cheerleader, not a critic; seek a solution, not a standoff***

As we move closer to the first official start of summer on June 21<sup>st</sup>, the CSD Staff has been busy both developing new, fun and exciting programs, as well as, getting our facilities in top-notch shape for the upcoming summer season.

“The Pond” Community Pool is set to open on June 9<sup>th</sup> and will offer programs such as Water Aerobics, Water Therapy, Recreational Swim and Lap Swimming. Please consult the pricing information and schedules printed in “The Bridge” for program and pricing information.

The Stallion Springs Community Center will be a fun and exciting place to be this summer season! There will be several Open Gym options to participate in, such as, basketball, volleyball and dodgeball. Also, ping-pong will be available in the Corral Room at no cost. There will also be pick-up basketball sessions offered for a small fee. There

will also be Friday Evening Skate Nights, Community Craft Nights, Rummage Sale, Baby & Me and a 5K “Endless Summer” Color Run just to name a few. Again, please consult the pricing information and schedules printed in “The Bridge” for program and pricing information.

CSD staff has also installed two new pickle ball courts at Man O’ War Park. You can bring out your own gear and play or contact us for paddle/ball rental. CSD Staff has been busy cleaning up and prepping our Park sites for the summer season as well.

So get outside and enjoy the Tehachapi summer and all that facilities here in Stallion Springs!

## BRIDGE ARTICLE "Staying Snake Safe" By Chief of Police Michael J. Grant

The summertime brings on snake season in Tehachapi. Due to the heavy rains we received, we are experiencing heavy vegetation growth and undergrowth, which leads to a more abundant food supply for rodents which increases their population. This means more snake food! Our concern is of the venomous variety of snakes indigenous to Tehachapi, like the rattlesnake. Here are some tips from California Fish and Wildlife for those of us living in snake country:

- Be alert. Like all reptiles, rattlesnakes are sensitive to the ambient temperature and will adjust their behavior accordingly. After a cold or cool night, they will attempt to raise their body temperature by basking in the sun midmorning. To prevent overheating during hot days of spring and summer, they will become more active at dawn, dusk or night.
- When hiking, stick to well-used trails. Avoid tall grass, weeds and heavy underbrush where snakes may hide during the day.
- Do not handle a freshly killed snake, as it can still inject venom.
- Teach children early to respect snakes and to leave them alone.
- Leash your dog when hiking in snake country. Dogs are at an increased risk of being bitten due to holding their nose to the ground while investigating the outdoors. Speak to your veterinarian about canine rattlesnake vaccines and what to do if your pet is bitten.

If you are bitten by rattlesnake, **do not** do the following: Make incisions over the bite wound, restrict blood flow by applying a tourniquet, ice the wound, suck the poison out with your mouth.

If you are bitten by a rattlesnake, **do** the following: Stay calm, call 9-1-1, wash the bite area gently with soap and water if available, remove watches, rings, etc., which may constrict swelling, immobilize the affected area, keep the bite below the heart if possible, transport safely to the nearest medical facility immediately.

The most common rattlesnake call for service the SSPD receives, is one where a resident discovers a rattlesnake in their garage. So when walking into your garage, be alert, look around, and expect that you may find a rattlesnake there. If you don't feel that you can handle the problem on your own, please don't hesitate to call SSPD, and we will send an officer out ASAP to help you with the issue. Remember, we are dispatched through the Kern County Sheriff's Office. Please call (661) 861-3110 and tell the dispatcher that you are a Stallion Springs resident. We have an outstanding reciprocating relationship with the KCSO and they will get quickly dispatch to all quality of life and emergency issues.

Please stay snake safe this summer by looking before you step, wearing the proper clothing when hiking, and notifying us if you need assistance. Also, if you plan on going away for vacation, please use our vacation house check program. From all the officers of the SSPD, please have a safe and fun summer!

**POA President Justin Reid's Message**

Well a huge thank you to all of the volunteers in the community who stepped up to help plan the annual dinner dance. We announced earlier in the year that we thought we were not going to be able to hold the event due to lack of help and volunteers came to the rescue. A huge thank you to Debbie Rodriguez, Jennifer Reid, Faye Belknap, Clydell Lamkin, Leanne Martell and many others for helping spearhead the planning committee! Also we are very appreciative of our local community donating to our fundraiser.

Our new board is shaping up nicely. I (Justin Reid) will be stepping back as President and going to a support role along with Lewis Brown. Lori Rodgers is coming back to the board as Secretary and Debbie Rodriguez is stepping up to serve as President. Linda Gordon will be staying on as Treasurer and Jennifer Reid is joining the board as Vice President and Diego Rodriguez is joining as Member at Large. Thanks everyone for volunteering!

In other news, POA is working with PAL and Diego Rodriguez is taking the lead to help refurbish one of the Applewood Derby cars for a race to take place at the end of the summer or the fall. Stay tuned for the roll out of our sponsored car.

Also, a huge thank you to Jennifer Reid and Cora Gutierrez for creating Story Time at the library for our local small kids. This free POA sponsored event has been a huge success and the kids are really enjoying it. Thank you everyone for helping make our community special!
