

# The Stallion Springs BRIDGE

AUG/SEP 2016

Issue #180

*Build a bridge, not a barrier; make a friend, not a fuss; find a cause, not a controversy; be a cheerleader, not a critic; seek a solution, not a standoff*

**G**reetings, Stallion Springs residents!

If there are problems in the community, it is important that we receive the complaint from the original reporting party through KCSO dispatch at 661-861-3110 and state you are in Stallion Springs. Currently, there have been some late night activities within the community. Stallion PD has been patrolling at night and found that some of the activities are due to the POKEMON GO! craze. People are trying to 'catch' these characters at certain times and locations creating disturbances within the community.

Weed abatement is progressing in the community. Field staff is mowing lots as quickly as they can, but can be limited due to obstacles on the lots, sloping of the lots, and mechanical re-

pairs. Many other agencies are behind in the mowing schedule — up to 4 weeks — due to late rains and wet grass. The tall grass seems dry, but is still green at the base. This causes bunching and binding of vegetative matter that creates mechanical complications with equipment. I ask that all residents be patient and use caution when driving or mowing and/or weed-eating.

The community pool has been open and busy with the hot weather. Please remember that pool rules are in place for the safety of swimmers and visitors. All pool attendees must abide by the pool rules and lifeguard instructions; this gives a safe and fun environment for all attendees. No glass, food, or horse-play is allowed at the pool.

Have a great summer!

- Lori Rodgers, G.M.

The Stallion Springs Community Services District Board of Directors will have 3 seats up for election on the November 8, 2016 Consolidated General Election ballot. The Board member term is for 4 years and Regular Board meetings are held on the 3<sup>rd</sup> Tuesday of each month. Special meetings and closed session meetings are held at various times throughout the year.

Interested parties will need to pick up a 'Declaration for Candidacy' form from the Auditor-Controller- County Clerk's office from July 18, 2016 until August 12, 2016 before 5pm in Bakersfield. Candidates wishing to submit a Candidate's Statement, of no more than 200 words for printing and distribution to the voters must submit such Statement for filing at the same time the Declaration of Candidacy is filed. The statement must be prepared on a form supplied by the Elections office.

For further information please contact General Manager, Lori Rodgers, at 661-822-3268 or Auditor-Controller County Clerk's Office/Elections at 661-868-3599 between 8:00 am and 5:00pm.

## CHALLENGING TIMES

These are challenging times we are living in, with new tragedies being featured daily on the news. Couple this with our own personal challenges and issues and they negatively affect the way we feel about our lives and the world around us. None of us are immune to feelings of being overwhelmed by internal and external forces. The many people that we as police officers meet while answering calls for service are going through some very tough times. Suicidal subjects, divorces, property disputes, medical emergencies, mental illness, drug dependency, alcoholism — they take their toll on us, similar to Freud's "contagion" theory. All of us can only take so much negativity. Everybody is a vessel and sometimes that vessel gets filled.

About fifteen years ago, I began to study healthy coping mechanisms and I wanted to share some of things that have helped me to deal with the stuff that we experience. It may not necessarily apply to you, but they have worked for me:

1. I try to do at least one really good thing for somebody every day. Words of encouragement, friendly advice, being a good listener, a kind deed. I remember that I am fortunate to talk to many people throughout my shift and I use this time to try to connect with people, no matter who they are or what they have done.
2. I remember that I am human. —That I have emotions, I am imperfect, and I will make mistakes. Knowing this

frees me to try to do the right thing, no matter the consequences.

3. I believe that people in the world are generally good — That most people's moral compass generally points north towards doing the right thing as well. That's why our community still works together, lives together, shops together, laughs together and shares tragedies together.
4. When I am finally driving home after my shift, I think about the mistakes I made during the day, how I can improve myself tomorrow, and how much I appreciate my family, the community I live in, and the country we are blessed to have.

What can you do to stay positive? Get involved in our community! We have exciting opportunities to volunteer, Neighborhood Watch, Community Emergency Response Team, Police Activities League, Community Services Unit, Property Owners Association, and many more. This will help you to stay positive by giving back to our community and being part of the solution to the problems we face. Our police department truly values our large and motivated volunteer force and together, we are making a positive difference.

-Michael Grant, Chief of Police

## STALLION SPRINGS PROPERTY OWNERS WELCOME COMMITTEE

On a very hot day in June — 98 degrees — we set out to call on six new home owners in Stallion Springs. We were fifty percent successful, as three families were home and three were away. We carry informational bags of goodies and always leave one at the front door for those who aren't home, hoping that in the future we will have the pleasure of meeting these new people. The Allnut, Cocciolone, and Sulek families were away that day, but we welcome them to our community whole-heartedly!

We met a daughter of the Beyer family who recently moved from across the way — Golden Hills; we had a nice visit with Melanie Kreisler and her three Boston Terrier rescue dogs, Sammie, Tony, and Teddy. Melanie and her husband, Brian, moved from Canyon Country where Brian is a handyman; we chatted at the door with Robert Sturgis who is in the process of moving here from Chatsworth to work on the weeds.

The day was hot, but the welcomes warm, so the afternoon was most pleasant.

## NEIGHBORHOOD WATCH

Thank you, EVERYONE, for your outstanding support of our first ever - Stallion Springs "NATIONAL NIGHT OUT" - on Tuesday, August 2, 2016 at our Stallion Springs Community Center Patio! The event was sponsored by your Stallion Springs Police Department (SSPD) and Neighborhood Watch, and was held on the national date - first Tuesday in August - when other cities and communities (Tehachapi and Bear Valley Springs included) also celebrated their own National Night Out events.

Our goals were to raise funds by donating all proceeds to purchase much needed equipment for our SSPD, and to join in this "National Night Out (NNO) . . . an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, better places to live." Chief Michael Grant has requested that the proceeds be used to purchase an Automatic External Defibrillator (AED), costing about \$1,500.00. So far from this event alone, we have collected about \$1,022.00!

We had a great turnout and lots of FUN! Adults, grandparents, teens, and families with children devoured sizzling hot dogs and fixin's, served up by Kenny Harrison (P-Dubs Grille & Bar) and Jim Burris (Stallion Springs Maintenance Staff) - who also were the Pitmasters! Jim Burris arranged to provide and operate our CSD's pit master style BBQ, and Kenny Harrison donated the entire sales of all the hot dogs and fixin's he provided, plus proceeds, to the purchase of the new AED! Neighborhood Watch (SSNW) sold the yummy Nachos and fixin's, and also donated their entire sales and proceeds to the purchase! In fact, ALL of the Stallion Springs Organizations - POA's Bake Sale, 4-H Club's Cake Walk and Cotton Candy, SS Parks & Rec sold the Sodas and Gatorades SSNW provided, a resident donated the bottled water, the SS Community Church made a donation - all to achieve the purchase of the AED!!! What a wonderful community we have!!!

There were 44 children who visited each booth to get their Passports 'stickered' by the organizations represented. The completed Passports were rewarded by Mr. Lewis Brown, our M/C, with a prize of their choice. Lewis is outstanding as M/C, announcing the Cake Walk and winners, calling the 50/50 Opportunity Drawing - which had three winners, all of whom returned their winnings to the purchase of the AED!

Amanda Westerby, our Parks & Rec Manager, ended the evening with a great Movie on the Patio, "Night at the Museum 3: Secret of the Tomb" - to the delight of young and old alike!

A very special "Thank you" goes to our own SS CSD Manager, Lori Rodgers, for her outstanding support and suggestions regarding all the creative talents (and questions, phone calls, etc.) involved in producing this event! Lori, we could not have done this without you! Also, included in this "Thank you" is our own SSPD Sgt. Gary Crowell, Ofcrs. James Best and Neil Record for helping with the organization, planning and contacts with KCSO and KCFD for their inclusion with their vehicles for your touring pleasure!

Thank you all again, and we look forward to having an even better NNO next year!

## CERT

### CERT (Community Emergency Response Team) Basic Training Class

CERT is about readiness, people helping people, rescuer safety, and doing the greatest good for the greatest number. CERT is a positive and realistic approach to emergency and disaster situations, where citizens will be initially on their own and their actions make a difference.

Through training, citizens can manage utilities and put out small fires; treat the three killers by opening airways, controlling bleeding, and treating for shock; providing basic medical aid; search for and rescue victims safely; and organize themselves and spontaneous volunteers to be effective.

## Stallion Springs Trails

The trails work group has been busy weed whacking, pruning, and repairing trails this spring and summer. Thank you to the small handful of folks who helped this season. It is a big job, especially after such a rainy winter. Hopefully you will take the time to get out and try some of the trails in the early morning, before it is too hot.

Due to the dwindling work force year after year, this year we cleared the most well-used trails, and the favorites of the trail workers. There is just too much work for such a small group to tackle them all. We are done for this season, so there will not be any additional trail

work days until next spring/early summer. When we begin again will depend on the type of winter we have and the weather in the spring. Information will appear in the Bridge when we are getting started.

Enjoy the remainder of the summer!
