Dear Stallion Springs Resident,

The Contractor for the CSD will begin paving various streets within the District on Monday, August 27. The paving operations will involve placing a new layer of asphalt on the surface of existing roadways in order to improve pavement condition and ride quality. It is anticipated that paving operations will be completed by Friday, September 7. Please note that no paving will occur on Monday, September 3 (Labor Day).

Streets scheduled for paving are listed below. Each street will take up to a day to pave. If asphalt curb was removed in front of your home prior to the start of paving, then new asphalt curb will be placed after the paving of your street is complete.

Alameda Pl	Drake Ct	Busher Wy
Alejandro Ct	Longhorn Ln	Preakness Dr
Braeburn Pl	Stallion Springs Dr	Tanforan Dr
Cedar Canyon Dr	Carlisle Dr	Tim Tam Pl
Forward Pass Ct	Cavan Ct	Bold Venture Dr
War Admiral Ct	Fabius Ct	Buckpasser Dr
Badger Ct	Pimlico Wy	Cavalcade Pl

Paving will take place between the hours of 7:00 AM and 5:00 PM. Please allow yourself additional time if you need to drive on the day your street is paved. Also, please remove vehicles and other property from the roadway before paving begins on your street.

The Contractor will attempt to minimize delays during paving operations. Please note that access to your home will be maintained, but delays may occur while crews are working in front of your property.

Thank you in advance for your patience and cooperation during this important work.

Best Regards,

David Aranda
Interim General Manager, Stallion Springs CSD
